REQUEST FOR BID BASKETBALL COURTS

The City of Monte Vista is soliciting bids for the purchase of basketball courts.

The City of Monte Vista is seeking bids for the purchase and initial installation support for two portable resilient tile basketball courts, portable basketball goals and volleyball net systems.

Bids shall be for two

(2) 68'x110' Enlio SES Elite tile court systems, each with logos and gameline striping for one (1) High School/NCAA basketball court, three (3) volleyball courts and four (4) pickleball courts. Additionally, we will require four (4) Spaulding G8 portable basketball goals and two (2) sets of three Spaulding Elite volleyball net systems (multicourt) for a total of six (6) volleyball courts. Qualified bidders shall provide products as described below.

COURT FLOOR SYSTEM PRODUCT

A. Competition Court Surface

System Description or Equivalent

- A. Product: Enlio SES Elite.
- B. Prefabricated resilient rubber tile athletic court flooring.
- C. Approved by FIBA and FIBA 3X3.
- D. New material, eco-friendly, homogeneous TPE raw material construction (PP material should not be considered equivalent) with a square groove surface design for anti-slip performance, asterisk shape support layer to provide improved support and help protect players from injury, a reinforced layer to provide a thick surface for strong impacts ensuring good rebound and ball bounce performance and elastic connectors reinforced to reduce expansion and contraction.
- E. Thickness: 0.79" (2 cm).
- F. Shock Absorption > 40%
- G. Colors: Provided in manufacturer's standard, solid colors.
- H. Surface Texture: Square Groove, professional event use with anti-slip.
- I. Format: Tiles that are 9.84" (25cm) x 9.84" (25cm).

Quality Assurance

- A. Manufacturer must have a minimum of fifteen (15) years of manufacturing experience.
- B. Products must meet the CE standard.
- C. Product must be formed from new material rubber. Plastic tiles shall not be accepted as equivalent.
- D. Surfacing Contractor/Vendor to be recognized and approved by the Manufacturer.
- E. Surfacing Contractor/Vendor shall be fully acquainted with the existing facility and utilities and shall fully understand the difficulties and restrictions attending the execution of the work under contract. Surfacing Contractor to advise the Owner of any restrictions or anticipated difficulty, in writing and before submitting bids.
- F. Surfacing Contractor/Vendor must be approved by the Manufacturer and must have participated in installations of the same scale in the last three (3) years.

BASKETBALL GOAL AND VOLLEYBALL NET EQUIPMENT
